None of us is as smart as all of us.
Vision without action is a daydream. Action without vision is a nightmare.
The reputation of a thousand years may be determined
by the conduct of one hour.
When the character of a man is not clear to you, look at his friends.
Fall seven times; stand up eight.
Fear is only as deep as the mind allows.
We're fools whether we dance or not, so we might as well dance.
